

A Special Training Series Opportunity!

"Core Excellence" Reenvisioned 2021 Workshop Series

This special multi-session program is designed to address the 6 critical components needed for professional management of a not-for-profit, particularly for the post-COVID 19 world in which we find ourselves.

Perfect for new and seasoned **Executive Directors, Organizational Leaders, and Board members**, these sessions will provide handouts and downloadable, customizable tools & templates that can be customized for your agency. Each session will incorporate time for your team to build a plan to address each area, ensuring your nonprofit can thrive and make the intended impact in our community.
